### **Feedback**

*"This was my first Christmas Study Day and it was wonderful meeting new people and seeing what others are up to in their libraries."*

*"Definitely recommending some of the initiatives we saw during the presentations"*

*"Create a 'tweet bank', investigate PIKTOCHART and bring the idea of Library Jargon busters to our next team meeting for discussion"*

*"Was great to hear about what other people are doing- lots of exciting new stuff coming for health libs"*

*"I will be mindful of Mary Hill's advice that the right timing and location is needed for something to be successful"*

*Updated 17 December 2019*
